This report provides the Board and members of the public with updates on agency operations.

REPORT

INTERIM RETIREMENT AND BENEFITS COMMITTEE

IRBC has been scheduled for January 16, 2024, in Las Vegas (agenda pending). In accordance with NRS 287.0425, PEBP will be presenting information relating to Plan Year 2024 and 2025. In addition to the required reports already supplied to the committee, a supplemental report summarizing the decisions made at the December 7th PEBP Board meeting and when available the Fiscal Year 2023 Financial Statements will be delivered for presentation at that meeting.

STAFFING

Staffing levels at PEBP are beginning to improve, with several positions filled in the Member Services Unit. In addition, to positions in MSU, we have filled the position of Lead Insurance Counsel. Brandee Mooneyhan was PEBP's Deputy Attorney General and is very familiar with the program. We are happy to have her join the PEBP team. Finally, PEBP staff have participated in the Hiring Fairs put on by the Division of Human Resources Management and hope to fill additional vacancies soon. Currently the vacancy rate is approximately 21%
