Member Engagement

81 Registrations This Month	3 Unique Visitors This Month	3 Total Visits This month
---------------------------------------	--	-------------------------------------

This section highlights how many members have engaged with our services, as measured by registrations and visits. Registration is a leading indicator of program health, as it opens the door to continuous engagement with members and supporting them when clinical needs arise. Monitoring monthly engagement is key to program success; changes in engagement can result from marketing initiatives or seasonality (e.g. cold and flu).

Member Access

This section highlights our impact on increasing members' access to appropriate medical and behavioral health care, and their satisfaction with our services. We improve access to care by seeing members after hours (when brick & mortar providers are closed) and by making it easier to visit with a provider during business hours.

Without Included Health, where would you have gone?

■ Percent Response Year to Date

We help members avoid unnecessary in-person visits by treating their needs virtually.

Member Clinical Needs

This section highlights the range of clinical conditions that we treat through virtual care services. The program addresses comprehensive physical and behavioral health needs, and chronic and acute conditions. Examining the top needs of your population can inform more targeted clinical interventions and programs.

Metric	Definition
Behavioral Health Visit	Behavioral Health visits refer to scheduled appointments with our multidisciplinary team of therapists, psychologists, and psychiatrists. Our integrated Behavioral Health solution delivers highly-accessible, virtual-first therapy and psychiatry to members to address every member need from subclinical to clinical. Therapy visits are 25 or 50 minutes in length depending on the patient's needs. Initial Psychiatry visits are 45 minutes in length and all follow up psychiatry visits are 15 minutes in length.
Covered Lives	Total count of member lives (employees and dependents) eligible for Included Health services.
Employee Lives	Total count of employee lives eligible for Included Health services.
Engagement Rate	Total number of unique visitors as a percentage of eligible lives.
Medical Visit	<p>Medical visits refer to on-demand and/or scheduled encounters with our multidisciplinary team of clinicians.</p> <p>Urgent Care: Our Everyday & Urgent Care solution offers accessible video-first care for acute needs. Our multidisciplinary team of employed clinicians provide 24/7 care on demand or by appointment to improve access to care and deliver a better care experience. Providers are cross-trained in behavioral health, primary dermatology, and geriatric medicine, to treat a wide range of everyday & urgent care and behavioral health needs including cold, flu, UTIs, sinus infections, along with anxiety and depression</p> <p>Virtual Primary Care - With Primary Care, we provide 24/7 care across the full continuum of member needs, including physical - acute, preventive and chronic - and behavioral for engaged members.</p>
ICD-10 Code and Description	Describes the top international classification of diseases for diagnoses, symptoms, and procedures recorded by our clinicians as a result of the visit.
Member Rating	Average visitor rating of 1-5 stars submitted upon visit completion.
Patient Reported Symptoms	Describes the top symptoms selected by the patient during visit intake. A patient may select more than one symptom per visit.
Registration	A member is considered "registered" when they digitally accept the Included Health TOS. Registration rate is the total number of individuals registered as a percentage of eligible lives.
Reported Age and Gender	Describes the patient's age and gender category as provided by the member's insurance carrier or reported by the patient. Note, these demographics describe the patient, not the visitor.
Visit	A visit describes a member's encounter with an Included Health provider. Visits can be classified as: Medical or Behavioral (Therapy, Psychiatry)
Visitors	A member that initiates a visit with Included Health. Unique visitor counts is determined by the member that initiates the visit, not the patient seen by the provider. For example: A patient that initiates a visit for herself and a separate visit for her child is counted as one unique visitor.
