SUMMARY

This report provides the Board, PEBP members and other stakeholders with information on agency operations.

REPORT

NEVADA HEALTH AUTHORITY (NVHA) TRANSITION

PEBP is working closely with NVHA leadership for this transition. This included transitioning from using Agency HR services to Nevada Health Authority HR, along with creating new e-mail domains, and new agency numbers. Townhall meetings for both PEBP staff, and for all agency staff, were conducted in late June and early July with leadership explaining the new organization structure and intent. On July 23rd and 24th, there was a Nevada Health Authority leadership summit conducted.

PEBP along with our vendors have been working closely with OPM staff in developing the payroll file interfaces for the October go-live. The files have been created, and we are in the testing phase currently.
