MEDICAL BENEFITS

Consumer Driven Health Plan

Preferred Provider Organization (PPO) Nationwide

- A PPO has a contracted group or network of health care providers (e.g., hospitals, physicians, laboratories) that provide health care services and supplies at agreed upon discounted or reduced rates.
- High-deductible plan which provides a Health Savings Account (HSA) for eligible employees or a Health Reimbursement Arrangement (HRA) for active employees as well as retirees who are ineligible for the HSA.

Exclusive Provider Organization Plan

(EPO) Northern Nevada

- With an EPO you must use in-network health care providers that participate in the plan.
- You do not need to select a primary care physician (PCP), nor do you need to contact your PCP for referrals to specialists. However, because you are responsible for choosing specialists and hospitals, it is important to confirm with the provider that they are in-network.
- Fixed copayments for most services.
- Only urgent/emergent services covered outside of service area.

Low Deductible Plan

Preferred Provider Organization (PPO) Nationwide

- A PPO has a contracted group or network of health care providers (e.g., hospitals, physicians, laboratories) that provide health care services and supplies at agreed upon discounted or reduced rates.
- Low Deductible plan is a middle tier option that allows members to access many benefits, such as doctor's office visits, urgent care, and prescription drugs for the cost of a copay with other services subject to a low deductible.
- Low-deductible plans are not eligible for HSA contributions. You can not contribute to an already established HSA.

Health Plan of Nevada

Health Maintenance Organization (HMO) Southern Nevada

- With an HMO you must use in-network health care providers that participate in the plan.
- Primary care physician is required.
- Fixed copayments for most services.
- Only urgent/emergent services are covered outside of the service area, except for covered dependents enrolled in an accredited college, university or vocational school anywhere in the United States.

How COINSURANCE WORKS

Coinsurance	The portion of eligible medical expenses for which the covered person has financial responsibility. In most instances, once your costs reach the deductible limit, the insurance company pays for covered expenses at its level of coinsurance, and you pay at your level of coinsurance. The coinsurance varies depending on whether in-network or out-of-network providers are used.
Deductible	The amount of eligible medical, prescription drug and dental expenses you are responsible for paying before the plan begins to pay benefits. The deductibles are discussed in the Medical Benefits Overview section of this document. The dental deductibles are discussed in the Dental Benefits Overview.

Those enrolled in the CDHP and State active employees enrolled in the LD, EPO and HMO plans have HSA/HRA funds this plan year to help pay for qualifying out-of-pocket expenses like deductibles, coinsurance and copays.

Specialty Drug Program

Specialty drugs are used to treat complex conditions, such as cancer, hemophilia, hepatitis C, immune deficiency, multiple sclerosis, rheumatoid arthritis, etc. Certain drugs fall into a category called specialty drugs. Specialty drugs and prescriptions are generally limited to a 30-day supply. Specialty drugs are available only through the Accredo, the Plan's Specialty Pharmacy. Through Accredo, patients receive an enhanced level of individual service such as one-on-one clinical support, a resource to help manage possible side effects and (for certain conditions) Accredo nurses to help administer your medication. Plan participants are encouraged to register with the Accredo Specialty Pharmacy before filling their first prescription for a specialty drug. Check with Express Scripts to determine if your prescription is considered specialty.

We're partnering with PEBP - Nevada Public Employees' Benefits Program to manage your pharmacy benefits.

RATES

This section features monthly plan rates based upon your employment status (i.e. active employees, pre-Medicare retirees, Medicare retirees), medical plan option, and coverage tier (e.g., employee or retiree only, employee or retiree and spouse/domestic partner, etc.).

State employees on Leave Without Pay (LWOP), active legislators, and employees on military leave do not receive a subsidy. This means both the employee and employer portions are included in the employee monthly premium. Survivors and unsubsidized dependents are also not eligible for a subsidy. Please view all rates on the PEBP website for unsubsidized premium amounts.

Each monthly premium rate pays for coverage for the same month, including retirees. Payments are not made in advance. The monthly premium includes medical, dental, prescription and vision coverage as well as basic life insurance for eligible participants.

Central Payroll Employees:

There is a 50/50 split of premiums for central payroll employees between the first and second paycheck of each month. If enrolled in an FSA or HSA, deductions are taken from the second check of the month.

NEW HIRE AND ACTIVE EMPLOYEE ELIGIBILITY

New Hire Start of Coverage

Employees working in a full-time position with a state agency, participating non-state agency, or the Nevada System of Higher Education (NSHE) are eligible for benefits on:

- The first day of full-time employment or the date of the contract, if that date is the first day of the month; or
- The first day of the month immediately following the first day of full-time employment or contract date if the first day of employment/contract date is on or after the second day of the month.
- As a new benefits-eligible employee you must enroll or decline coverage online at <https://pebp.nv.gov> and upload any required supporting documents (if adding dependents) to your E-PEBP portal no later than the last day of the month your coverage is scheduled to become effective. See the [Enrollment](#) section for more details.

Default Enrollment

Failure to enroll or decline coverage within the specified timeframe will result in your coverage being defaulted to self-only coverage on the Consumer Driven Health Plan (CDHP) with a Health Reimbursement Arrangement (HRA). Employees enrolled in the CDHP will pay a monthly premium for that coverage, retroactive to the coverage effective date based on the date of hire. Once you have been defaulted onto the plan, you will be unable to change or remove coverage until [open enrollment](#) or because of a [qualifying life event](#).

Active Employee Leave of Absence

Employees working for a participating local government will need to contact their Human Resources office for Leave of Absence, such as FMLA, LWOP or Military leave eligibility.

RETIREE ELIGIBILITY

Your hire date is considered the date which you began working for a PEBP participating employer. Many employers may participate in PERS, but do not participate in PEBP.

A state or non-state retiree or surviving spouse, can reinstate insurance one time. Please review the [Retiree Enrollment](#) section of this guide for additional information on retiree late enrollment.

The final Years of Service (YOS) audit is performed by the Public Employees’ Retirement System (PERS), Nevada System of Higher Education (NSHE), or other participating retirement plan. Once PEBP receives your YOS form, PEBP works directly with your retirement plan(s) to determine how many qualifying years of service you have. Until the YOS audit is received by PEBP your subsidy or Exchange HRA (if applicable) may be delayed, and that while the subsidy or Exchange HRA will be backdated, participants may be paying costs up front for up to several months.

NEW HIRE ENROLLMENT

Employees working in a full-time position with a state agency, participating non-state agency, or the Nevada System of Higher Education (NSHE) are eligible for benefits on the first day of the month concurrent with or following the date of hire.

If you are eligible for benefits and do not make benefit elections by the last day of the month coverage is scheduled to begin, you will automatically be enrolled in self-only coverage through the Consumer Driven Health Plan (CDHP) with a Health Reimbursement Arrangement (HRA), and basic life insurance.

Employees enrolled in the CDHP will pay a monthly premium for that coverage, retroactive to the coverage effective date based on the date of hire. Once you have been defaulted into the plan, you will be unable to change or remove coverage until open enrollment or because of a qualifying life event.

As a new benefits-eligible employee you must enroll or decline coverage online in your E-PEBP Portal at <https://pebp.nv.gov> and upload any required supporting documents (if adding dependents) no later than the last day of the month your coverage is scheduled to become effective.

Qualifying Life Events

Federal regulations generally require that plan coverage remain in effect, without change, throughout the plan year unless a qualifying life event occurs mid-year.

The plan must be notified by completing an online event through your E-PEBP Portal within 60 days of the qualifying event date. If the online event, including uploading any required supporting documents, is not completed within the specific timeframe as outlined in the Eligibility and Enrollment Master Plan Document, the request will not be accepted, and the change cannot be made until the subsequent open enrollment period.

Some examples of eligible qualifying life events include:

- Marriage, divorce, or annulment
- Beginning or ending of domestic partnership
- Birth, adoption, or permanent guardianship of a child
- Dependent gaining own group coverage
- Dependent losing own group coverage
- Moving out of the EPO or HMO coverage area

SPENDING ACCOUNTS

Flexible Spending Accounts (FSA)

FSAs are available to any eligible active employee regardless of the plan they choose, excluding the Nevada System of Higher Education employees who have a separate plan with their employer. Medical FSAs are not available to CDHP employees who have an HSA. FSAs give you a tax break on your eligible health care and dependent care expenses by having tax-free FSA contributions taken from your paycheck. By electing to direct a portion of your salary through an FSA, you essentially bank your money in a tax-free account. The money is used to pay for expenses that would otherwise be paid out of your take-home pay.

You can use your Health Care FSA debit card to pay for your eligible medical, dental, and vision expenses. Or you can submit claims to request reimbursement for your eligible health care and dependent care expenses online via your E-PEBP Portal. Use the single sign on feature to access your UMR portal.

Health Savings Account (HSA)

The Consumer Driven Health Plan (CDHP) with a Health Savings Account (HSA) helps you save tax-free money for current and future health care expenses. You can contribute, up to a certain amount regulated by the IRS each year, and PEBP will contribute a base amount as well. Your account balance rolls over from year to year and never expires so you can use the funds into retirement. *State Active Employees* receive additional funding for Plan Year 2025. Use the single sign-on feature in your E-PEBP portal to access your HSA Bank account.

Health Reimbursement Arrangement (HRA)

The Consumer Driven Health Plan (CDHP) with a Health Reimbursement Arrangement (HRA) is for those that do not meet the eligibility requirements to enroll in a Health Savings Account (HSA). The HRA is funded by PEBP the same way an HSA is; however, participant contributions are not allowed. For retirees transitioning onto a Medicare Exchange plan, any remaining funds in the HRA account revert to PEBP. *State Active Employees* enrolled in the LD, EPO and HMO plans receive funds for Plan Year 2025. Use the single sign on feature in your E-PEBP portal to access your HSA Bank account.

 2. You cannot have other coverage (Medicare, TRICARE, Tribal, HMO, COBRA etc.) unless the coverage is also an IRS qualified high deductible health plan
 3. You or your spouse cannot be enrolled in a Medical Flexible Spending Account (FSA) or Health Reimbursement Arrangement, but you may be enrolled in a Limited Purpose or Dependent Care FSA
 4. You cannot be claimed on someone else's tax return (excludes joint returns)

HEALTH REIMBURSEMENT ARRANGEMENTS (HRA)

If you select the Consumer Driven Health Plan with an HRA, you can use a Health Reimbursement Arrangement to pay for eligible out-of-pocket health care expenses. HRA’s are funded by PEBP; participant contributions are not allowed.

Participants will receive a base contribution of \$600, plus State Active Employees receive an additional one-time contribution.

Health Reimbursement Arrangement (HRA):

- Receive tax-free contributions from PEBP
- HRA funds may be used to pay for out-of-pocket qualified health expenses
- HRA’s are not portable; funds revert to PEBP if an employee’s coverage is terminated for any reason, including a transition into a Medicare Exchange plan

You may enroll in the CDHP with an HRA if you are not eligible for the CDHP HSA due to the following requirements:

- You are a retiree
- You have other coverage (Medicare, TRICARE or TRICARE for Life, Tribal, HMO, COBRA, etc.)
- You or your spouse are enrolled in an HRA

HSA/HRA FAQs

Do I have to submit reimbursement requests for HRA funds within a specified period?	HRA rules require claims to be submitted for reimbursement within 365 days of the date the expenses incurred. View HSA Bank’s HRA Reimbursement Request Form for supporting document requirements when submitting for reimbursement.
I thought an HRA required a high deductible health plan (HDHP) like the CDHP. Do I receive the one-time funds if I’m enrolled in the LD, EPO or HMO plan?	State active employees enrolled in the CDHP, LD, EPO and HPN plans will receive a one-time HSA/HRA contribution of <i>up to \$500</i> for plan year 2025. In addition, all CDHP participants will also receive an employer contribution of \$600 in HSA/HRA funds.
Who administers HSAs and HRAs for those enrolled in the CDHP, LD, EPO and HMO plans?	HSA Bank administers these accounts. You can access your account by using the single sign-on feature in your E-PEBP portal. Eligible retirees enrolled with Via Benefits may have an Exchange-HRA administered by Via Benefits.
If I have Medicare and am on a plan with Via Benefits how much will I be receiving for my monthly HRA?	The “Years of Service” HRA contribution remains at \$13 per month, per year of service. There is an \$8,000 roll over cap each year. Please see Medicare Exchange HRA Contribution section for more information.

KEY TERMS AND DEFINITIONS

Annual/Annually	For the purposes of this Plan, annual refers to the 12-month period starting July 1 through June 30.
Base Plan	The self-funded Consumer Driven Health Plan (CDHP). The base plan is also defined as the “default plan.”
Coinsurance	The portion of eligible medical expenses for which the covered person has financial responsibility. In most instances, once your costs reach the deductible limit, the insurance company pays for covered expenses at its level of coinsurance, and you pay at your level of coinsurance. The coinsurance varies depending on whether in-network or out-of-network providers are used.
Copayment, Copay	The fixed dollar amount you are responsible for paying when you incur an eligible medical expense for certain services, generally those provided by network health care practitioners, hospitals (or emergency rooms of hospitals), or health care facilities. This can be in addition to coinsurance amounts due on the same incurred charges. Copayments are limited to certain benefits under this program.
Deductible	The amount of eligible medical, prescription drug and dental expenses you are responsible for paying before the plan begins to pay benefits.
Exclusions	Specific conditions, circumstances, and limitations for which the plan does not provide plan benefits.
Formulary	A list of generic and brand name drug products available for use by participants.

PY25 Summary of Changes

KEY TERMS AND DEFINITIONS

Health Reimbursement Arrangement	A Health Reimbursement Arrangement (HRA) is an employee-funded spending account that can be used to pay qualified medical expenses. The HRA is 100% funded by the employer. The terms of these arrangements can provide first dollar medical coverage until the funds are exhausted or insurance coverage kicks in. The contribution amount per employee is set by the employer, and the employer determines what the funds can be used to cover and if the dollars can be rolled over to the next year. In most cases, if the employee leaves the employer, they can't take remaining HRA funds with them.
Health Savings Account	An account that allows individuals to pay for current health expenses and save for future qualified medical and retiree health expenses on a tax-free basis.
In-Network Provider	A provider that the network, or one of its rental networks, have contracted or made arrangements with to provide health services to covered individuals at a discounted rate. To determine if a provider is an in-network provider log onto your E-PEBP portal and use the UMR single sign on feature. Then click the “Find a Provider” tab. You may also call the number on the back of your ID card and a customer service representative can locate an in-network provider for you.
Out-of-Pocket Maximum	The maximum amount of coinsurance each covered person or family is responsible for paying during a plan year before the coinsurance required by the plan ceases to apply. When the out-of-pocket maximum (OOPM) is reached, the plan will pay 100% of eligible covered expenses for the remainder of the plan year.
Premium	The amount you pay to obtain a health insurance plan. Most participant premiums are automatically deducted from their paycheck. The premium is separate from the deductible, copay, coinsurance and OOPM.
Usual and Customary	The amount paid for a medical care, treatment, or supplies in a geographic area based on what providers in that area usually charge for the same or similar service. The U&C amount is used to determine the allowed amount the plan will pay.
