## State and Non-State Retiree Years of Service Subsidy

Subsidy amounts shown are for those staying on a PEBP Plan or are not yet eligible for Medicare. Other eligibility requirements apply:

- For participants who retired **BEFORE January 1, 1994**, the participant premium for the selected plan and tier is shown on the retiree rate pages
- For participants who retired **ON OR AFTER January 1, 1994**, add or subtract the appropriate subsidy in the table to the participant premium in the selected plan and tier. Do not add more than the base subsidy in the selected plan and tier.
- Employees hired **BETWEEN January 1, 2010, and December 31, 2011**, who retire with fewer than 15 years of service, and who are not disabled, do not receive a years of service subsidy.
- Employees who were initially hired **ON OR AFTER January 1, 2012**, do not receive a years of service subsidy, the base subsidy, and will be charged the full unsubsidized rate.

Note: Your hire date is considered the date which you began working for a PEBP participating employer. Many employers may participate in PERS, but do not participate in PEBP.
