LAURA FREED
Board Chair

September 20, 2022

Dear PEBP Participant,

During the 81st Legislative Session, the legislature passed AB 494, giving State active employees and State retired participants enrolled in a PEBP plan a 1-month health insurance premium holiday in 2021 and 2022. On June 11, 2021, the PEBP Board voted that members would receive the premium holiday for the month of October 2021 and the month of October 2022.

NO ACTION IS REQUIRED to receive the premium holiday, but **members must be enrolled in a PEBP plan for the month of October to be eligible**. If you are enrolled in a Medicare supplement plan through the Medicare Exchange with VIA Benefits and elected PEBP dental, the holiday will count toward your PEBP dental premium. If you are a new hire enrolling in benefits or are in the process of completing an enrollment due to a qualifying life event that will be effective on October 1, 2022, you will also receive the premium holiday *once your coverage is processed*.

The premium holiday does not apply to COBRA participants, unsubsidized spouses, survivors, active Nevada State Legislators, non-state actives, or non-state retirees. The premium holiday excludes premiums for Medicare supplement plans offered through the Medicare Exchange with VIA Benefits. Please contact your Agency Representative for additional questions, or call PEBP Member Services at 775-684-7000, or 702-486-3100.

Sincerely,

Public Employees' Benefits Program
