Adding Dependents

If enrolling dependent(s), you must upload copies of supporting documents, e.g., copies of certified birth certificate and/or certified marriage certificate by June 15, 2024. You can upload required supporting documents after you complete your open enrollment event in your E-PEBP Portal. You MUST include the SSN or ITIN of dependents you are adding. Having trouble uploading documents in your E-PEBP Portal? You can also upload supporting documents at <https://pebp.nv.gov/Contact/contact-us/> > Submit Supporting Documents > Secure Document Upload Form.

Health Savings Account (HSA)/ Health Reimbursement Arrangement (HRA)

If changing from an HRA to an HSA during open enrollment, any remaining funds in the HRA account will revert to PEBP.

State active employees enrolled in the Consumer Driven Health Plan (CDHP), Low Deductible Plan (LD), Exclusive Provider Organization Plan (EPO), or Health Plan of Nevada (HMO) will receive a one-time contribution in HSA or HRA funding. The funds will be added to HRA accounts for LD, EPO, and HMO members; and as a supplemental HRA or HSA contribution to CDHP participants in addition to the base employer contribution amount for this plan year. State active participants who are enrolled in the CDHP with an HSA will receive an HSA contribution and all other State active participants enrolled in the CDHP with an HRA will receive an HRA contribution.

Flexible Spending Accounts

Employees who want to enroll in the Medical, Limited Purpose, or Dependent Care Flexible Spending Accounts must submit a new election each plan year. For details on how to enroll in a Flexible Spending Account, please visit <https://pebp.nv.gov>. If you're an NSHE employee, you will need to contact your Agency HR.

Voluntary Products

Voluntary products are available to active and retired employees such as buy-up vision, pet insurance, supplemental life insurance, and auto/homeowners' insurance. Voluntary products are 100% participant paid and administered by Corestream. The purchase and/or agreement with any voluntary product vendor is between the participant and the vendor. To enroll in voluntary benefits, log onto your E-PEBP Portal, look for the PEBP+ Voluntary Benefits widget and click on *Learn More and Enroll*.

Sincerely,
