

PEBP's Monthly Educational Series

| Monthly Educational Offerings | |
|-------------------------------|------------------------------------|
| First Tuesday of the Month | New Hire Orientation |
| Second Tuesday of the Month | Pre-Medicare Informational Session |
| Third Tuesday of the Month | Agency Reps Session |

Educational offerings feature a live virtual presentation followed by a Q&A with a PEBP representative. Watch the presentation and get your questions answered. In most cases, expect to set aside one hour for the presentations.

New Hire Orientation (virtual only):

Employee action is required! Focus on completing the new hire event in the E-PEBP portal and discuss plan benefits and offerings. Don't wait until you are sick or in crisis to learn about and access your health insurance. Take advantage of preventive and wellness benefits designed to help you live your best life. When you put yourself at the top of your priority list you can show up and do what State of Nevada does best— help others.

Pre-Medicare Informational Session (virtual or in-person):

For those who are retired and approaching age 65 or those who are retiring after age 65, this meeting will break down the transition of moving to the Medicare Exchange with Via Benefits into five manageable steps. Active employees over age 65 are not required to enroll in Medicare until 60-90 days before retirement and will not experience a penalty as PEBP coverage is Credible Coverage. [It's as Easy as 1-2-3-4-5.](#)

Agency Reps Session (virtual only):

Agency representatives (ARs) are the bridge that connects employees to their benefits offered through the State of Nevada and provide an integral role for coordinating, cooperating and dialogue between agencies. The PEBP AR Portal is the secure online platform for ARs to conveniently submit employee information for their health insurance benefits. This session is designed to train those new to the PEBP AR Portal, and for those who are already familiar with the portal, this is an opportunity to bring questions to a PEBP representative.
