KEEP SCROLLING

Did you know?

The Center for Disease Control and Prevention provides recommendations for vaccines and immunizations for children (birth to 18 years), adults (19 and older), pregnant women and travelers. Visit the CDC's Vaccine & Immunization [schedules and recommendations here](#).

COVID-19 booster shots must be administered at least four months after your last booster. The **shingles vaccination** must be taken in two doses, two to six months apart. For the second dose, schedule an appointment at a participating in-network pharmacy, or schedule an appointment with your primary care provider (PCP). Visit PEBP's Find a Provider page to **find in-network pharmacies and providers** under your health insurance plan at [Find a Provider \(state.nv.us\)](#).

Administrative leave is authorized per NAC 284.589.6(b) for **active employees** attending a PEBP coordinated event. PEBP recommends employees work with their supervisor to request approval to attend a clinic.
