Dear PEBP participant,

In 2024, Carson Tahoe Health notified PEBP members that their contract with United Healthcare was due to expire on May 31, 2025, and that they would not be renewing that contract. This means Carson Tahoe Health and its affiliated providers would no longer be an in-network provider.

On April 15, 2025, PEBP received confirmation via email that Carson Tahoe Health had executed an agreement to extend the contract with United Healthcare until December 31, 2025. More information is available at the link below.

We will provide updates as more information becomes available.

Sincerely,
